PROFILE

Final-semester architecture student at UCSI University (CGPA 3.40) with a design approach built on environmental response and movement: sky, sunlight, and wind. Site-management experience alongside a civil engineer, proficient in Revit, AutoCAD, SketchUp, and Rhino, and backed by 6+ years of professional design work delivering client projects to deadline.

EDUCATION

Bachelor of Science (Hons) in Architecture <i>UCSI University — Kuala Lumpur, Malaysia CGPA: 3.40 / 4.00</i>	Completion: January 2027
--	---------------------------------

- Relevant coursework:** Architectural Design Studio, Rhino 3D Modelling, Site Management

ACADEMIC DESIGN PROJECTS

Heritage Museum & Spa Centre — Melaka 1-acre museum and spa organised around Melaka's five historical eras, with each era expressed as a distinct spatial sequence.	Semester 5
Mak Yong Community Centre & Museum — Kelantan 1-acre cultural centre for Mak Yong dance and ancient Malay heritage, oriented to prevailing winds; theatre ceiling elements move with airflow to cast shifting shadows.	Semester 4
Charcoal Factory Community Centre — Kuala Sepetang 1-acre community centre for Malaysia's last remaining charcoal factory, using sunlight, light, and darkness to evoke the movement of fire.	Semester 3
Kinetic Sky Pavilion — Langkawi Island 0.5-acre building exploring the relationship with the sky through movable, kinetic architectural elements.	Semester 2

ARCHITECTURAL EXPERIENCE

Site Management Intern — Hamad Group Constructions Two-month placement alongside a civil engineer, gaining hands-on exposure to site management, construction sequencing, and on-site coordination.	May – July 2026
---	------------------------

TECHNICAL SKILLS

Drafting, BIM & 3D Modelling: Revit, AutoCAD, Rhino, SketchUp Pro 2025, Profile Builder, Reyon Design
Rendering & Visualisation: D5 Render, Enscape
Presentation & Sketching: Adobe Photoshop, Adobe Illustrator, Morpholio Trace, Procreate, hand sketching
Digital Design: Figma, Framer, WordPress
Certifications: Diploma in Adobe Photoshop & Illustrator (2022), Branding & Visual Design (2023)
Languages: Arabic (Native), English (Fluent)

DESIGN EXPERIENCE

Independent Brand & UI/UX Designer (Freelance, alongside studies) <i>Self-Employed — Remote</i> Managed client projects end to end, from brief to final delivery, for clients including V12 (luxury automotive, Riyadh), Al Nahdi Pharmacy, and Tanset (packaging design).	2020 – Present
Product & UI/UX Designer <i>Crux — United Kingdom (Remote)</i> Planned user flows and interface layouts for a time-capsule app, applying spatial hierarchy and circulation thinking from architecture.	2025 – 2026
Web Designer <i>Krux Agency — Kuala Lumpur, Malaysia</i> Delivered client websites to fixed deadlines in a fast-paced agency, coordinating multiple clients in parallel.	2023 – 2024
